

## **RADON AWARE MONTH**

<b>WHEREAS,</b>	The Village of Nakusp is located in Area 1 of the Province of BC; and
<b>WHEREAS,</b>	Area 1 of the Province of BC is considered to be at a greater risk for high levels of indoor radon gas; and
<b>WHEREAS,</b>	Indoor radon gas is known to be a serious public health risk causing as many as 16% of lung cancer deaths in Canada each year; and
<b>WHEREAS,</b>	Detecting levels of indoor radon gas is simple with a low cost and easy to administer test; and
<b>WHEREAS,</b>	If high levels of indoor radon are present cost-effective solutions exist to reduce unsafe levels.

Now, therefore, I, Karen Hamling, Mayor of the Village of Nakusp, do hereby proclaim November 1<sup>st</sup> To November 30<sup>th</sup> as **RADON AWARE MONTH** in the Village of Nakusp

  
Karen Hamling, Mayor  
Village of Nakusp
