Discussion took place regarding the new Provincial Orders which require Bylaw Officers to provide advice public or warnings if they see the 50 or more being ignored or businesses open that shouldn't be. Councils can hold open meetings without the public, can pass bylaws more expediently, and allow for all Council including the Chair to attend meeting electronically.

The Mayor gave a message to the public that many suggestions are being received and expected of the Village. The Village cannot do this alone. He urged people to share the notices that he is putting on his Mayor's page. The Village will be updating their webpages and social media to ensure the public that essential services are continuing.

It was noted that the DriveBC message board is already advising of social distancing and washing hands.

C. ADJOURNMENT

R112/20	<i>Moved by Councillor Hughes</i> <i>THAT the March 26, 2020 Council meeting be adjourned at 2:34 PM.</i> <i>Carried</i>
