

Save on Foods  
510 Broadway Street West  
PO Box 748  
Nakusp, BC  
V0G1R0

August 9, 2020

To the Village of Nakusp,

I am writing this letter to request access to use the Village property located outside of Save On Foods. We are looking to have one ice machine placed on the side of the store year-round, and to have 4 ice machines from the week of May long weekend, until the week of September long weekend each year.

We are requesting to use Village property as it is essential for us to provide ice to our customers. With the lack of space inside the store for these, and the back of the property has our loading bay, it makes it very difficult to find a new location for the ice machines, as they do require to be plugged in.

We appreciate your consideration in this matter. If there is anything else you need from me, or that I can provide you with, please let me know.

Sincerely,

*Kira Tateyama*
