Bylaw 614-14, 2016 replaced 4.13(b) with the following:

- (b) In the Service Commercial, Lakeshore Development, and Institutional Zones, the owner may apply to Council for a Development Permit to locate up to 50% of the required parking spaces on an alternate parcel located within 300 meters of the principal site, provided that a covenant in favour of the Village of Nakusp connecting the parking on the alternate parcel with the principal site, is registered against the title of the alternate parcel. The number of parking spaces provided on the alternate parcel cannot interfere with the parking spaces required for the use on the alternate site.

Bylaw 614-14, 2016 added 4.13(b.1) & 4.13 (b.2) as follows:

- (b.1) .1 Any person who applies for a Building Permit to construct or extend a building or structure for a use on a lot within the Commercial, Lakeshore Development and Institutional Zones which requires parking to be provided may, at his option, instead of providing such required parking spaces, pay to the Village the sum of \$1,000.00 (One Thousand Dollars) for the Parking Lot Reserve Fund for each parking space required but not provided.
- .2 Any person who changes a use within the Commercial, Lakeshore Development and Institutional Zones such that this bylaw requires additional parking spaces to those already provided may, at his option, instead of said additional parking on site, pay to the Village the sum of \$1,000.00 (One Thousand Dollars) for the Parking Lot Reserve Fund for each parking space required but not provided.
- .3 Payment in lieu of parking is payable at the time when:
- .1 The Building Permit is issued for the building or structure that is being put to the use that requires the parking spaces specified in this Bylaw, or where no Building Permit is required, the use that requires the parking space specified in this Bylaw is granted a business licence.
- .2 parking spaces provided in this section are not available on a reserved or dedicated basis within a municipal parking lot.
- (b.2) If a lot within the Commercial, Lakeshore Development and Institutional Zones is permitted a single family dwelling as a secondary use, and the single family dwelling is occupied by the owner of the business that is the principal use on the lot, then the two spaces for a single family dwelling is not required in addition to the parking for the other uses.
- (c) The regulations contained in this section do not apply to buildings, structures and uses existing as of the date of adoption of this Bylaw except that:
