

Mayor Zeleznik,

A COVID-19 **testing** clinic is being held in Nakusp at Arrow Lakes Hospital for the next four days from Thursday, April 29 – Sunday, May 2. People can book online at <https://interiorhealthcovid.secureform.ca/index.php> or call 1-877-740-7747 between 8am-7pm.

(Note: This is for testing. Immunization clinics are separate.)

The testing clinic will be held at the south side of the Arrow Lakes Hospital (near the helicopter pad). It will be a drive through testing site. People getting tested are to follow the arrows and signs in the parking lot.

Testing is for anyone with symptoms of COVID-19. People can use the [BC COVID-19 Self-Assessment Tool](#) to determine if you need a test for COVID-19.

Can you help share this information with the community?

Thanks,
