## WHAT IS A ZONING BYLAW?

A Zoning Bylaw regulates the use of land within Village limits. It is the set of rules that determine how land can and can't be used and what can and can't be built. It is made of up two basic parts: maps and regulations. Maps divide our community into different zones, whereas regulations identify what uses are permitted in each zone, and what rules buildings must meet, such as height, setbacks, and density.

FAMILY. COMMUNITY. FUTURE.

## PROVIDE YOUR INPUT

A community-wide online survey will be available after the webinar until **August 15th** to collect feedback on key topic areas.

Need a paper copy? Visit the Village office at 91-1st Street NW.

## CAN'T MAKE THE WEBINAR?

No problem! The webinar will be recorded and posted on the Village of Nakusp webpage. Webinar attendance is not mandatory to participate in the survey.
