While the pain from a broken heart and the sorrow from your loss put a darkness in these days, those who love you are here to help you find your way back to brighter days.

We are here to help.

Employees of the Village of Nakusp understand that this is an incredibly difficult and emotional time; therefore, please feel free to request a private consultation. This can be arranged by speaking with our Office staff at 265-3689.

There are essentially four steps to the burial process: Plot Reservation; Interment of Remains; Installation of Memorial; and Maintenance. We have outlined these steps in detail for you; however, if you have any questions or concerns, please contact the Office.

All who have been touched by beauty are touched by sorrow at its passing.

## 1. RESERVATION

If a plot has not been previously reserved, it will be necessary for you to complete a Cemetery License at the Village Office. Some required information will be:

Full legal name, address & phone number

Next of kin, relationship, address & tel #

*Please explain your intentions, for use of the plot, to our staff (ie. for whom the plot is intended, any possible future interments, cremated remains or otherwise). This information, in coordination with the Cemetery Bylaw, will be used to determine how many burials may be permitted in that plot and may restrict usage.*

At the time the reservation is made, the Grave Space and Care fund fees must be paid and are subject to GST:

### Space + Care fund

**Adult:** \$400.00 + \$200.00 = \$600.00

**Family:** \$700.00 + \$200.00 = \$900.00

**Infant/Child:** \$150.00 + \$100.00 = \$250.00

**Cremation:** \$150.00 + \$100.00 = \$250.00

Through bloom and leaf  
through harvest and the  
frost...

the light of hope and courage  
helps the clouds to slowly  
clear and all that's learned  
and loved is never lost.
